Making a Feel Good Plan

We all experience tough times and strong feelings. Like experts say, if we want to tame our strong feelings, we first need to name them. After identifying how our stress tends to show up, we can make a plan for practicing healthy ways to cope.

**HOW TO USE**
- With your child/student, choose the worksheet for their age and answer each question.
- Complete the Feel Good Plan based on the child’s responses.
- Share the Plan with the child’s teachers/caregivers.
- Bonus: Make a "calm corner" using the Virtual Me Moments Hub or fill a box with the items in purple to help kids and teen with their calming strategies.
